The Scottish Troubadour: A fun loving traveler who grew up knowing he had a knack for the supernatural. Despite his brushes with evil creatures during the recent battles, he never let this darken his mood and decided to go through life on a "high note". This he has done, enjoying performing for others. He has recently been recruited after being seen one too many times "happening" upon the scene of another mysterious event.

of Feats available: 0 level:

- may be taken mu	ultiple times, for different targets, does not stack	k; ** - may be taken multiple times, effects stack; (f) - Fighter feat
