The Barkeep: He was born in Ireland. When he was a child, his father had a business in South Africa for a short while. While in Africa, barely a teenager, he encountered the supernatural along with a local Zulu friend. The other boy was killed, but he survived and was recruited by the Fellowship at a very young age. After his family returned to Ireland, he opened a bar and now experiments with alchemy involving African plants in a lab he excavated in the basement.
